

IMAGINATION COLLECTION

cultured marble vanity tops

Affordable Alternative to Natural Stone Distinctive Colors • Standard & Custom Sizes

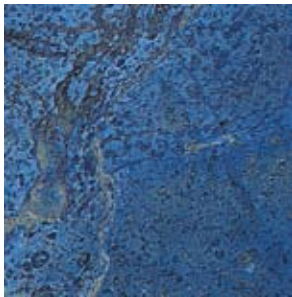

Installed oval bowl in white, biscuit, black or stainless steel. Installed rectangular bowl in white or biscuit. Unlimited custom top sizes available up to 96" with any bowl, custom cut outs, 19", 22" and 25" depths.

IMAGINATION COLLECTION

The Imagination Color Collection of Cultured Marble Vanity Tops fills the gap between traditional cultured marble and natural surfaces such as stone, quartz, and marble. This unique manufacturing process blends the aesthetics of natural surfaces with the lightweight and economic advantages of cultured marble for an appealing look at an affordable price. Plus the surface is impervious to moisture and never needs sealing.

- 7 unique stone looks
- Custom sizes and configurations
- Pre-drilled faucet hole options
- 6 undermount bowl options
- Beautiful design possibilities
